

S 1 ART WORK

Use your note book for this work.

This work should take two weeks considering there are other subjects to consider.

Using the internet research about the following;

1. Art and design.(the meaning and art works on the market).
2. The importance of art and design
3. Careers in art
4. Art and the natural environment

From your research answer the following questions

1. What is art ?
2. What is design?
3. What kind of art work have you seen on the net and how does it serve mankind?
4. Have you seen any art works around your home? List them and indicate how they serve you.
5. What is the importance of art?
6. List the careers in art.
7. How is art related to the natural environment?

Move around your home and take note of the interesting things from the natural environment that would inspire you artistically and list them down.

Do this work in your drawing book .

This work should be done during the third week. More work will be sent after the third week.

Make sketches of your best areas and pick one which you will draw and colour.
